Comes now, Jonathan Lee Riches, moves this honorable court to intervene in this General Motors corp Bankruptcy case #09-50026 under rule 7024 & rule 24(A)2, 24(B) as a Plaintiff and creditor. I have a common vested interest in this case. I'm a shareholder in General Motors stock and a creditor to General Motors corp. My Intervention brings questions of laws and facts that are common in this Action. General Motors owes me money along with me owning UAW Retiree York plans. I move under rule 24(A)2- as a unconditional matter of Right. Zuber v. Allen and Under rule 24(B)- permissive Intervention Nevilles v. EEOC, I move to object to the sale of the Debtors assets. I need to Analyze and inspect the details of this Sale first as me being a financial creditor to GM, Going forward with this sale will violate my due process rights. I move to file a proof of claims in this case. I move to intervene to submit documents, exhibits, Financial Records related to this Bankruptcy. I can be reached or contacted at the below Address, as Jonathan Lee Riches prays this court will grant his motions for relief.

Respectfully,
